Emerson College 2011 - 2012
Graduate Teaching Assistant
Ran screenings, performed research, prepared class materials, graded exams, and provided administrative support to multiple faculty members in the Department of Visual and Media Arts.

PROFESSIONAL EXPERIENCE

Boston College 2021 - Present

Associate Director, Instructional Media

Manage the media production staff and facilities at the Center for Digital Innovation in Learning. Oversee the production of educational media assets. Collaborate with faculty members and design teams to develop instructional media. Contribute to organizational planning and strategy as a member of the leadership team.

Harvard University 2017 - 2021

Post-Production Manager

Managed and mentored eight full-time video editors. Ensured timely delivery of audio, video, interactive, and photographic content. Provided ongoing feedback regarding the technical and visual quality of media assets in all phases of production. Advised course development teams and faculty on best practices in educational media production and post-production.

Harvard University 2013 - 2017

Video Editor

Collaborated with faculty, instructional development teams, and production staff to design and create high-quality multimedia assets for use in HarvardX courses. Edited video lectures, readings, discussions, and interviews. Created graphics and animations. Assisted with storyboarding and scriptwriting. Coordinated post-production workflow.

Freelance Media Artist 2010 - 2015

Producer/Videographer/Editor

Planned, recorded, and edited a variety of freelance projects for organizations including French Oak Television, Hybrid Vigor Projects, Company One, and IriScape Productions.

FILM & VIDEO PROJECTS

MicroMedia Learning Series 2023 - Present

Creative Director

A series of educational videos and animations that teach foundational concepts in digital media design and production.

Every Rock Has a Story 2021 - Present

Producer

A New England Emmy-nominated YouTube series, created with Boston College geology professor Dr. Ethan Baxter, designed to help all children see themselves as scientists and to inspire wonder, curiosity, and engagement with earth and environmental sciences.

Idle Away 2019

Director

A short experimental film that explores the passage of time and considers the relationship between the built environment and constructed green spaces within cities. The first in a series of lyrical films that deconstruct how people use and interact with urban public spaces.

- Remember Us Now, Wandering 2015
 Director
 A poetic, expository, and observational documentary that considers how American foreign policy in Israel and the West Bank affects Palestinian refugees living in a camp located just outside of Bethlehem.
- The Boston Tree Party 2012
 Videographer & Editor
 A short documentary that follows the evolution of The Boston Tree Party project, a collaborative campaign to plant 100 pairs of heirloom apple trees in civic spaces across greater Boston.
- Urban Homesteaders League 2011
 Videographer & Editor
 A short documentary video commissioned by the Urban Homesteaders League Market Stand at the Union Square Farmer's Market in Somerville, Massachusetts. The Urban Homesteaders' League is a community venture dedicated to inspiring and empowering individuals and communities to shift from a lifestyle of passive consumption to one of active participation, creation, and connection.
- Zaytun 2010
 Director
 A short observational documentary that surveys the nature of daily life of Palestinian people residing in the West Bank through the lens of the annual olive harvest. Shot on location in the Jenin region of the West Bank, Palestine.
- How Green is Your Food? 2009
 Co-Director
 A ten-minute documentary that examines the growing local food movement in the greater Boston area and explores the potential challenges of eating local in an urban environment.
